**RESPONSE AND AMENDMENT TO NON-FINAL
OFFICIAL ACTION UNDER RULE 111**

In Response to the Official Action of May 29, 2003, Applicant submits the list of the status of the following claims which are currently pending in the present Application, some of which have been amended, some of which have been previously amended and which read as follows:

- Sub E
D1
1. (Currently amended) A telephone network for a structured site, essentially of a business office type, comprising a common bus of a local computer network connecting computers at the transmitting and receiving ends of the telephone network for a structural site and telephone sets connected to said telephone network to provide telephone communication between the parties at the transmitting and receiving ends
